**Subject: Status Report on Consent Decree**

On February 13, 2006, I was officially appointed as Acting Director of DYS for this new administration. I ask for your patience on issues relating to the Kagman Juvenile Detention & Correction Facility Consent Decree.

At the present time, the staffing for this facility is a total of 18 since the last administration. I intend to work closely with the DCCA Secretary, Daisy C. Villagomez-Bier and the Workforce Investment Agency in securing approximately (6) FTE's for this fiscal year, which will bring the total up to 24 as required in the Consent Decree. Recently, there were (2) Correction Officer FTEs that were returned by the Office of Budget and Management due to insufficient funds under the local account.

Meanwhile, to address the shortage of staffing, the DCCA Secretary and myself plan to reassess employees of DCCA for lateral transfer and also utilizing DYS personnel to cross-trained.

On February 24, 2006 Floyd R. Masga, Supervisor of KJD&CF was placed under Administrative Leave pending final disposition from the Attorney General and Office of Personnel Management. He is being investigated for an alleged Sexual Harassment against several DYS employees.

On February 26, 2006 an adult resident escaped during a scheduled visitation at the facility. The facility was under Lock-Down due to the escape. An Investigation was conducted on the Officer in charge during that shift. The investigation conducted showed evidence of negligence on the Officer's part. He failed to adhere to the Policy and Procedures on supervising visitations for clients. As a result, disciplinary action will take in effect.

On March 29, 2006 the Acting KJD & CF Supervisor, Sylvio S. Ada, and myself will be part of the Prison Task Force Group meeting to ensure that we are in compliance with the Consent Decree.

CC: DCCA Secretary  
Acting Supervisor, KJD&CF

The Defendants shall immediately provide copies of, and explain the terms of this Decree to all current and future employees or other staff of SPC, SDF, TDF, RDF, KYF, and SIFE, in order to ensure that they understand the requirements of this Decree and the necessity for its strict compliance. All such individuals shall sign a statement indicating that they have read and understand this Decree and acknowledge receiving an individual copy of the Decree. [§VIII Compliance ¶ 70]	Yes				
Except where otherwise specifically indicated, the Defendants shall implement all provisions of this Decree within 90 days after entry of this Decree. [§VIII Compliance ¶ 71]	Yes				

<p>The Court shall retain jurisdiction of this action for all purposes during the term of this Decree. At any time after two (2) years from the date of entry of this Decree, and after substantial compliance has been maintained for no less than one year, the CNMI may move to terminate this Decree. Any motion to terminate must detail all aspects of the Defendants' compliance with each provision of this Decree, supported by affidavits and supporting documentation. The United States shall have ninety (90) days from receipt of the CNMI's motion to terminate to file its objection(s). In the event the United States objects to termination of the Decree, the Court shall hold a hearing, at which both parties may present evidence, before ruling on the motion to terminate. At the hearing, the burden shall be on the CNMI to demonstrate that it has fully and faithfully implemented all provisions of this Consent Decree and maintained substantial compliance for at least one year.
